RE: State Troopers Fraternal Association Endorsement

Dear Mr. Koukourdelis,

I am pleased to inform you that the State Troopers Fraternal Association which represents over 1600 rank and file New Jersey state troopers, unequivocally endorses you for the office of Mayor of the Borough of South River. The vast experience and leadership which you have previously achieved and demonstrated as a member of the Borough of South River Township Council, being a member of multiple chambers of commerce within Middlesex County, and being a small business owner provide a strong base of knowledge in equipping you to effectively and responsibly govern the Borough of South River. Beyond that, your participation and experience as a leader in your religious community and with many civic groups ensure that you will be mindful of all of the citizens that reside within the Borough of South River.

The State Troopers Fraternal Association is keenly aware of and appreciative of your affection and support for the members of the law enforcement community. I believe that your support of and continued cooperation with local, county, and state law enforcement officers and agencies will be an asset to the Borough of South River and the citizens who reside there. This will clearly lead to a safer community and give you the tools to help combat the most crucial public safety issues, such as the opioid epidemic, which are plaguing all of our communities.

Sincerely,

Wayne Blanchard,  
President,  
State Troopers Fraternal Association
